

Indoor Recess Cheat Sheet

20 degrees Fahrenheit or higher— recess as usual additional weather conditions permitting

15–20 degrees Fahrenheit— 8 minute shortened recess additional weather conditions permitting (air quality, precipitations, wind)

15 degrees Fahrenheit and below— indoor day

Communication

Prior to morning and lunch recess the front office will send an email with critical information in the subject line.

Teachers are expected to check their email prior to each break for direction.

Air Quality Index Levels of Health Concern	Numerical Value	Meaning
Good	0 to 50	Air quality is considered satisfactory, and air pollution poses little or no risk
Moderate	51 to 100	Air quality is acceptable; however, for some pollutants there may be a moderate health concern for a very small number of people who are unusually sensitive to air pollution.
Unhealthy for Sensitive Groups	101 to 150	Members of sensitive groups may experience health effects. The general public is not likely to be affected.
Unhealthy	151 to 200	Everyone may begin to experience health effects; members of sensitive groups may experience more serious health effects.
Very Unhealthy	201 to 300	Health warnings of emergency conditions. The entire population is more likely to be affected.
Hazardous	301 to 500	Health alert: everyone may experience more serious health effects

PROCEDURE

MORNING

In the morning, students will sit in the multipurpose room. At 9:00 an announcement will be made for teachers to pick up students.

RECESS AND LUNCH

- ⇒ Grade level teams will choose activities and supervision with the understanding that there will be at least one teacher per two classes.
- ⇒ Any movies shown will be educational.
- ⇒ Students will be escorted to lunch at their regular time by an aide.
