Registration for Parkside Elementary School for the 2020-2021 school year.

Online registration MUST be done annually for ALL students, new or returning.

1st – 6th Grade Online Registration opens:

July 22, 2020

Registration information can be accessed beginning July 22, 2020 by going to:

http://www.murrayschools.org

Click on Parents > Registration Materials

Returning Student Instructions:

If your student has already attended any Murray school you need to register them as a returning student. We CAN NOT process a returning student with a new student registration. You will be contacted and asked to redo the registration if that occurs. For returning students you need to log in with your Aspire login and password you created when you originally registered your student. If you cannot remember your password you can click on FORGOT my password in the Aspire log in screen and have a new password emailed to you. If you can’t remember your login you need to come into the school in person when the school re-opens in August to obtain your log in. We are sorry but we cannot give out user names or passwords over the phone for security reasons. PLEASE remember your Aspire login and password. You will be required to use this every year to register your student. The online registration MUST be done before your student will be assigned a teacher.

New Student Instructions:

If you are a new student to the Murray School District register as a new student. You will need to bring the following items into the school before your student will be assigned a teacher.

- **original** copy of birth certificate (we will make a copy from the original)
- current and up to date immunization records (all records must be up to date)
- proof of residency within the Parkside Elementary School boundaries

Proof of residency can be a copy of either a lease agreement or 2 utility bills (bills MUST be utility bills) within the last 30 days in the name of the legal guardian of the student.

If you are living with someone within our boundaries you will need to pick up an Affidavit of Residency from Parkside and have it notarized. We DO NOT have notaries at the school.

Non-Resident Permit

If you do not live within our school boundaries, or if you moved out of our boundaries over the summer, you MUST obtain a Non-Resident Permit online through the Murray School District website under the Parent link. This permit MUST be approved by the school principal for your student to attend Parkside while not living within our boundaries.
