

Minutes

Attendees: Heather Nicholas, Merissa Graves, Keith Larson, Rachelle Peterson, Candyce Lee

Approved March minutes: Merissa Graves made a motion, Keith Larson seconded.

Digital Citizenship is a part of the plan and all the money has been used.

Heather Nicholas went over that carry over money will be less than 10%, but the exact amount is not known at this time because the school year is not over.

Plan will be sent via Parent Square and posted on the website to be publicized to the public.

We are going to do a write up for Candyce to try to secure funding for remaining FOSS kits. The cost is about \$12,000. Heather, Merissa, and Susan will work on that and get it to her.

We are looking for a kickoff testing cheering squad by community members on April 19th at 8:00-8:20 am. Make posters, pass out pencils or a treat with a motivational message.

Plan was approved by the 5 members present. One council member was marked as absent. Heather is reaching out to 2 council members for approval.

Merissa Graves made a motion to end the meeting. It was seconded by Keith and Candyce.
